

**Locker Availability** - Charlotte School of Ballet provides locker rental to students who are registered for a full dance season (August –May). The locker rental agreement provides designated locker space (12x12x18”) for an entire year (August-August) allowing the student to continue to use the locker for storage during the summer months (minus a cleaning period). First right of refusal will be provided to students in the following order which is based on weekly hours spent at CSB thereby necessitating need: Charlotte Ballet Company Dancers, Grade IV and up, all others. Following the first rental year, first right of refusal for rental and current location will be given to current residents.

**Locker Rental Season and Pricing** –A one year locker rental contract is \$50. For organizational and control reasons (such as the one week locker cleaning period), locker rentals are only renewed in August. Students wishing to rent a vacant locker at any other time of the year are welcome to do so, but their contract will still run out at the renewal time in August. Rental costs will only be reduced by ½ if ½ of the year is over. For example, students wishing to rent anytime during the months of August – January pay \$50, February – July pay \$25. No other cost adjustments will be made. Current tenants can retain their locker location if their contract is renewed prior to the clean out period in August.

**Clean Out Period** – Students will be notified in advance of a one week time period in early August in which lockers must be emptied out for a thorough antibacterial cleaning process and locker renewal and assignment.

**Locker Contract** – A locker contract must be signed by both the dancer and parents and fees paid in advance prior to locker assignment. Locker rental is a privilege and can be taken away at any time if the locker policies and rules outlined are not followed.

**Locks** – Combination locks will be provided by CSB for each locker. The student’s combination will be provided on his/her contract copy and should be put in a place for safekeeping. A master key will be stored under lock and key in the office for teacher access only when necessary.

**Rental Termination** – If a student fails to follow the policies and rules outlined here and on the attached contract, Charlotte School of Ballet reserves the right to terminate the contract at any time with no refund of rental fees.

**Locker Contract**  
2015-2016

1. I agree to keep my locker cleaned out regularly taking home any articles of clothing that require washing.
2. I understand that no beverages (including water) or food items are allowed to be in my locker at any time. With expensive pointe shoes, ipods, phones, and more in neighboring lockers, the potential for expensive damage is too great. I understand that if my negligence or failure to follow these rules causes damage to another individual's property or the school lockers, I will be responsible for the cost to replace said item.
3. I will make sure any hair products such as gels and hairsprays are in a sealed package and do not leak into my own or neighboring lockers. I understand that if my negligence or tipped or leaky hair product causes damage to another individual's property or the school lockers, I will be responsible for the cost to replace said item.
4. I understand that the only lock allowed on my locker is the CSB issued combination lock. If any other locks are used on CSB lockers, they will be removed by CSB at the cost of the lock owner.
5. I agree to refrain from defacing the interior or exterior of my own (or anyone else's) locker with writing, drawing, etc. Magnets are permitted inside the locker space, but nothing is permitted on the outside of the locker except the number tag provided by CSB.
6. I understand that anyone tampering with another student's locker will result in loss of locker privileges.
7. I understand that CSB reserves the right to inspect any of the lockers at any time and to terminate locker privileges if the rules stated above are not being followed.

By signing below, I am confirming that I have read, understand, and intend to abide by all policies and rules.
